MEMBERSHIPS

Membership packages were sent out to numerous businesses in the Virden area. It included information about the Chamber, achievements, goals and benefits and incentives of becoming a member. Year after year we hope to increase the number of members and hopefully offer more “perks” to these individuals that choose to join our group. We offer businesses links to our website, which has now also been linked to the Town of Virden’s site. Our focus this year is the growth of the Tourist Information Center which is located at the CP Station. Here, a list of our current members, their business addresses and contact number are available for visitors to view and utilize if needed. For more information of what the Virden Chamber of Commerce can do for you please visit our website at www.virdenchamber.ca or contact our office. You can also find a membership form and the required fees to join this active group and become part of our team.
