Chamber Board of Directors Meeting	2
Fall Luncheon	4
EV Charger Grand Opening	TBA
Charity Wine Gala	13

We are very excited to announce our Fall Luncheon date has been set for October 4th from noon until one at the Virден Legion Clubroom. The Town of Virден has kindly sponsored this luncheon and will be presenting a few interesting topics to our business owners.

As many of you may have received an email from me concerning Sunday Shopping hours. This topic will be discussed in further detail and we are hoping for feedback and opinions from our businesses.

The Town of Virден is also going to cover some of the upcoming issues that have been brought forward concerning highway plans. Many businesses have and will be affected by these and we are wanting to explain to you in detail what the Town of Virден is dealing with and where it is going. Lastly we will be touching on a new committee that is in the making. The Heritage Development Committee will be made up of Town Councilors, Chamber Directors and of course business owners. Fur-

ther details and the goals of this committee will be discussed at the luncheon. For all of you interested in having a voice in any of these topics or wanting to learn more, please come out and support this luncheon on Oct 4th. Tickets are available through our Chamber manager or at Virден School and Office. Please purchase them prior to the event or let our manager know so we can ensure there is plenty of food for all!!! Hope to see you there.

I have had a few concerns about the reality of this exciting addition to our community, and yes it is still going to take place. The unit has arrived in Virден and now in the process

of installing it. We are once again hoping to have this completed by the end of the month and then following this will be a grand opening event. The developers of this unit and others are hoping to come to

our community on this day and help us celebrate this new addition to Virден. Please watch for more information on this event.

I know it is hard to believe this topic is already making the newsletter, but it is creeping up faster than we think. This years Santa Parade and Light up will take place Thursday,

November 29th. If you or your business is interested in putting a float in our parade please feel free to contact me. If any businesses are wanting to take part in the Christmas

festivities or offer those valued customers a little holiday cheer, contact me at the above information. Please watch for times and additional events to be announced.

DID YOU KNOW??? The Virден Community Chamber of Commerce organizes Christmas Promotions for our Chamber Members to participate in only!!
