The membership drive has begun! Your support every year allows us to operate and support our community and businesses in the best way we can. These packages are also available on our website at [www.virdenchamber.ca](http://www.virdenchamber.ca). Also located on our website

is the incentive program option for our members. This allows you to offer incentives to our members increasing your business awareness and hopefully sales!! The Chamber is always open to any ideas or opinions you may have con-

cerning our operation or events. Our manager is available 5 days a week by phone or email and is in the office at the CP Station Tuesday and Thursdays from 9am to 1pm.

The Virden Community Chamber of Commerce had a very exciting year in 2012 and is looking forward to its growth in 2013. It began with the development of a website. This site offers a member directory, chamber event listing, community attractions, business resources and much more. The development of quarterly luncheons has allowed us as a community come together and share information on certain topics with one an-

other. Relocating the Chamber Office, Tourist Information Center and Settlement Services to the CP Station, has offered many opportunities to us and helps to attract people to the core of our community. The Chamber as well as the Virden Employment Skills Center hosted a successful Job Recruitment Expo giving employers a chance to post their jobs and attract employees. Canada Day, Downtown Rodeo and Christmas events exceeded

all expectations once again and were a huge success for all that participated. The installation of the Electric Vehicle Charger put Virden on the map. We are able to offer this to the public for free and take the step into the future before most other communities. These are a few of the things the Virden Community Chamber of Commerce was proud to complete in 2012 and can't wait to see what we can get done in 2013!!
