## Luncheon Sponsorship Opportunities

The Virден Chamber of Commerce has hosted a series of successful luncheons in the past. We are looking at bringing them back as a quarterly event, and it is open to both Chamber members and non-members to attend. The goal of these luncheons is to create a comfortable environment where business owners, employees, town Councillors, Chamber Directors and individuals, can communicate and share ideas over a few minutes of their day. We believe creating closer relationships is very important to not only the Chamber but everyone living and working in our community.

Informational speakers will also present during this time, in the hopes that everyone gets the most out of their attendance. We've averaged 40 guests per luncheon so far and hope to more than double this in the coming months and years. Will you be a part of that?

To ensure the continuation of these luncheons, sponsorship opportunities are available. As of 2015, there are now three sponsorship options, as listed below, along with the benefits of each level. Please complete the following application form in order to be featured at the luncheon of your choice. Sponsorship opportunities will be awarded in the order they are received. In the case that your selected date is no longer available, Chamber Manager Amanda Isaac will contact you with an alternative option.
